**Our family could not have been more pleased with the decision to list our property with Karmen Hayes of Florida Retail Partners.**

**Karmen went above and beyond to make the move for our elderly Aunt go smoothly and, in addition, she got top dollar for her home.**

**We know that we could not have accomplished this sale without Karmen's valuable and ongoing assistance, as all the family members reside out of town.**

**This was a 10 out of 10 experience for our family and we highly recommend Karmen to anyone needing a seasoned Real Estate Broker in the future.**
